Trade Tide Ltd (hereinafter referred to as the "**Company**"), is incorporated and registered in Fomboni – Island of Moheli – Comoros Union, with registration No. HT00324038. The Company's registered address is located at Bonovo Road, Fomboni, Island of Moheli, Comoros Union. The Company is authorized and regulated by the Mwali International Services Authority as an International Brokerage and Clearing House with license number BFX2024065.

Introduction

The terms and conditions of the "**Trading Bonus Scheme**" (henceforth referred to as "**the Bonus Scheme**") are an essential component of the business terms and policies of the organization.

By creating an account with the business, you accept and commit to abide by the conditions outlined in this "Terms and Conditions Policy." Additionally, you consent to be bound by the rules and regulations of the Client Agreement for the duration that your account is valid by accepting the bonus terms through it.

General Terms

If an eligible client satisfies all of the requirements outlined in this policy, it could take up to 48 hours for any incentive to be applied to their account.

At its reasonable discretion, the company retains the following rights:

- To refuse to register any participant in the "**Bonus Scheme**";
- To disqualify any participant who violates these terms, any of the "Business Terms" and Policies stated on the Company's website (such as the Client Agreement), or who seeks to misuse the way the "Bonus Scheme" operates.
- The Company is not liable for any consequences resulting from the cancellation or refusal of any trading bonus, including, but not limited to, the closure of orders by Stop Out.
- The The company retains the right, in its sole discretion, to stop offering bonuses to any of its customers without providing a justification. Clients that are impacted will get email notifications.

Clients may opt out of the Bonus Scheme at their own discretion by contacting the customer support department at support@savexa.com

The Bonus Scheme or any part of it may be changed, amended, or terminated at any time by the Company. Any revisions will be publicized on the company's website, and clients will be informed of any changes beforehand. It is recommended that members of the Bonus Scheme frequently examine these terms and conditions. By taking part in the Bonus Scheme, you agree to any such alterations, revisions, and/or adjustments.

It is not possible to move bonuses from one trading account with the company to another that have been credited to the accounts of eligible clients in line with these guidelines.

It is possible to withdraw any earnings made through the use of the Bonus Scheme.

Conditions of Eligibility

The Company's clients who satisfy the offer's specific requirements (referred to as "Eligible Clients"), as listed in the following sections, are eligible for this offer, subject to and without affecting any other business terms and policies (as stated in the client agreement).

Clients that have an active trading account with the company are eligible for the Bonus Scheme. The Bonus Scheme may be made available to any client the company thinks fit for a time period it chooses, in its sole discretion.

Eligible Clients – Terms

Only those who are able to lawfully enter into legally binding contracts under the laws of their own country are eligible to participate in the Bonus Scheme. Individuals under the age of eighteen are not permitted to participate.

Eligible clients are current customers who have completed the verification process for their trading accounts and made at least one deposit.

At the company's discretion, eligible clients who fulfill the requirements listed here may be eligible for trading bonuses.

All eligible clients must get in touch with the support team and confirm their phone number in order to activate and credit their account with the bonus scheme.

Restrictions

Each eligible client may only have one Bonus Scheme account per distinct IP address. It is not allowed to register more than one "Trading Bonus" account with the same personal information or from the same IP address.

It is prohibited for "Intermediaries/Related Parties" to take part in the Bonus Scheme. The Company retains the right to instantly reject a participant if their registration and/or trade information, including but not limited to their IP address, matches that of another participant in the Bonus Scheme. In addition to the following, "Intermediaries/Related Parties" also includes:

- Family members, including siblings, spouses, ancestors, lineal and collateral descendants.
- Any person or entity controlled by, under the control of, or in common control with any participant in the Bonus Scheme.

Cancelation/Disqualification

All previously credited bonuses, transactions, or profits/losses derived from them will be nullified if there is any indication or suspicion, at the sole discretion of the company, of arbitrage (including risk-free profiting), abuse (such as trading patterns indicating the participant's sole aim to benefit financially from the bonus without genuine trading interest), fraud, manipulation, cashback arbitrage connected to a bonus, or any other dishonest or fraudulent activity.

The company retains the right to cancel all orders, revoke all participant winnings, and close or suspend (either temporarily or permanently) all of these eligible clients' actual trading accounts. Any repercussions of bonus cancellation, including but not limited to Stop Out closing an order, will not be the Company's responsibility.

Bonuses that have already been credited will be revoked and will not be transferred to the new account in the event of an internal transfer between trading accounts with the company.

The bonus will be automatically cancelled if the necessary trading volume is not reached within the allotted 90 days. The required open volume Bonus is USD * 10,000. The volume generated (one side or open leg) on any asset is needed for computation.

When the balance becomes negative (i.e., the client has lost all cash and all or part of the credit) and there are no open positions, the company retains the right to cancel the client's active bonus.

If the company has good reason to suspect that the client tried to misuse the company's terms and conditions or the bonus they received (for example, by using hedging techniques between two accounts with an active bonus), the active bonus will be cancelled.

Wagering requirements

The open volume criteria (one side/open leg) can be met by qualified clients on any asset worth more than Bonus USD * 20,000.

The wagering restrictions will be modified in accordance with the total Bonus amount if the client receives an additional Bonus.

For instance, the required trading volume to make the bonus withdrawable will rise from (5,000 * 20,000) USD Volume 100,000,000 to (9,000 * 20,000.00) USD Volume 180,000,000 if a client deposits 5,000 USD and receives a 5,000 USD Bonus, and then deposits and receives another 4,000 USD Bonus.

Governing Law

The laws of Comoros Union govern and are interpreted in accordance with the terms of the Bonus Scheme. The Company will settle any disagreements or circumstances that are not covered by these terms as fairly as feasible. All participants will be bound by the Company's decision, which will be final. There will be no correspondence.

If there are any differences between the English and translated versions of the Bonus Scheme terms, the English version will take precedence.

Risk Warning

Trading involves a high level of risk, and it is possible to lose your entire capital. Make sure you understand any associated risks trading in leveraged products.
